

# How to use the NPS Logo

Office 2007 - Word under Home tab in Font box

Select NPS Logo and select size.

Then press the number keys to display the different styles.

Below I selected NPS Logo size 26

On each line I pressed 1,2,3,4 etc... to display the different styles.

2  
2  
3  
4  
5  
6  
7  
8  
9

To make it larger select a different size by NPS logo

1

The line above is NPS logo size 48 pressing # 1.
