Dear Parents/Guardians,

I am sending you the 2010 School Report Card for the State Office of Accountability. These reports contain student performance information that you received from the school last year. These scores are for regular education, non- high mobility students.

The report includes test information from the State Department of Education Testing Program. Our school report shows results for the High School End-of-Instruction Tests for grades nine through twelve.

The report also contains information about our community as well as other descriptive information about the Norman Public Schools and Norman High School. If you have questions about our school or the report, please contact me at 366-5812.

I hope you and your family have a good summer. The faculty and staff at Norman High School look forward to seeing you in August. Our first day of school will be Wednesday, August 24, 2011.

Sincerely,

Dr. Lynne Chesley
