Norman Public Schools
Elementary Application for Activity Absence Extension – 10 Day Absence Regulation

All students are allowed 10 activity absences per class period each academic school year. Excluded from this number are state and national levels of school-sponsored contests.

Once a Norman Public Schools student reaches seven (7) activity absences in any one class period for the current school year, he or she must begin the application process for an extension beyond 10 days. This form should be completed and submitted to the student's principal. The form will then be reviewed by the NPS District Internal Review Board (IRB).

Any student who exceeds the approved activity absences from the IRB in any one class period must apply for an additional extension(s). Students will not be allowed to exceed 15 activity absences for one school year, pursuant to the rules adopted by the State Board of Education on February 28, 2008 to be effective for the 2008-2009 school year (Accreditation Rule 210:35-17-2).
