Wind Ensemble / Symphonic Band

Auditions

November, 2011

Clarinet/Saxophone/Percussion Additional Information

- 1) Scales (All **Sax players** should play in their key of F, regardless of the instrument they play for the audition.)
- 2) Sight reading
- 3) Etude(s) below – auditions will be not be done with a metronome – please practice so that you can play the pieces accurately noting the tempos that are marked.

The auditions are to help decide membership in the Wind Ensemble and Symphonic Band. Ultimately, other things like attendance, tardies, CODA and All State will enter into the decision. Your year in school will not enter into the mix, so please take the audition seriously – everyone has the same chance!

All clarinet players will audition on Bb Clarinet. Please indicate your interest in low clarinets at the time of the audition. Chairs 7 & 8 (possibly 8/9 or 9/10) will play bass clarinet in the Wind Ensemble. In the event of a student not wishing to play bass clarinet, placement will be at the discretion of the directors.

Saxophone players may audition on Alto or Tenor Sax. Please indicate your interest in Bari Sax at the time of the audition. Chair 3 will be offered Tenor Sax in the Wind Ensemble and chair 4 will be offered Bari Sax in the Wind Ensemble. In the event of a student not wishing to play Tenor or Bari, placement will be at the discretion of the directors.

Percussion players will play Snare, Marimba and Timpani exercises as marked. Students should bring their stick bag with all the required sticks and mallets to the audition.
