

# Norman High Band Association

Dear Band Parent,

Welcome back! **Band Camp** is starting soon, and we need your help in several ways:

- **DONATE WATER.** We need bottled water for the marching season. We provide band students and staff with water at every football game and all marching contests. We are asking each family to donate ONE CASE OF BOTTLED WATER to meet this season's hydration needs. Water can be dropped off in the band building starting August 1.
- **STOCK A MUNCHIES TABLE** during the week of band camp. This table will provide a variety of Grab-and-Go snacks for the 120 people participating. Fruit will be provided.

Requests have been made for: GARDETTOS or CHEX MIX  
COOKIES and RICE KRISPY TREATS  
FRUIT SNACKS, GRANOLA BARS and MORE!!!!

Because of the extreme heat, PLEASE AVOID "melt-ables" like chocolate or icing. Students also don't seem to eat cheese cracker varieties. **All snacks need to be in individual packages.**

Beginning **WEDNESDAY, AUGUST 3**, drop off lots of your favorite munchies in the small rehearsal room inside the band building. Donations will be accepted every day. Any extra snacks will be used during the marching season (contests, away games, etc.).

- **HELP WITH SUPPER.** August 9-12, NHBA will be serving band students supper daily from 6-7 p.m. We need help each day with set-up, serving and clean-up (5:30 - 7:30 p.m.). We would like to cook out one night and need a couple parents to bring their grills and grill-master skills. If you can help in **any** of these ways, email Deandra Coil at [tigerkatddc@aol.com](mailto:tigerkatddc@aol.com).
- **HELP WITH UNIFORM FITTINGS or HEMMING.** Mr. Deardorf needs a couple adults on August 9-12 from 2-5:30 p.m. to help student uniform managers match students with appropriate size uniforms. (This eliminated a lot of pants hemming last year!) You can work from one day to all four days. We also need parents who would be willing to **hem uniform pants** (can be done at home). Email Mr. Deardorf at [joeld@norman.k12.ok.us](mailto:joeld@norman.k12.ok.us) for more information or if you can help.
- **CHAPERONE THE LOCK-IN.** We need some night-owl parents to stay up late and help at the end-of-band-camp lock-in Friday night, August 19. LOTS of fun. NOT much sleep!

Any questions? Email me at [tigerkatddc@aol.com](mailto:tigerkatddc@aol.com), or call and leave a message at 405-329-4539 (evenings are best). And THANKS AGAIN for all your help. This fall's marching season will start off well because of you!
