

WHAT IS NIMPA?

Norman Instrumental Music Parent's Association

(NIMPA) supports the activities of the instrumental music programs in the Norman Public Schools. We facilitate interaction and communication among parents, directors and students and promote music appreciation and awareness of Norman's outstanding instrumental music programs.

How are funds spent?

NIMPA membership dues provide funds for each program director. In the past, our students' directors have used NIMPA funds to purchase new music and supplies, repair instruments, and fund clinicians to work with the students among other things too numerous to list.

The NIMPA general fund supports the All-City Concerts, a newsletter, the summer band and orchestra programs, and sends four program directors each year to conventions.

And, for NIMPA members and their immediate family, the All-City Concert is **FREE!** We also publish members' names in the All-City Concert program.

How do we raise funds?

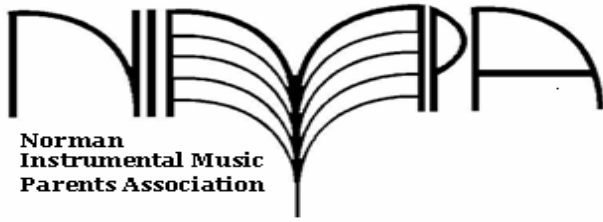

NIMPA raises money through membership fees and by selling advertisements in the All-City Program. Just by joining NIMPA, you are supporting your students' programs. The All-City Concert programs provide for our business community to support the instrumental music programs. We also sell student recognition ads to make the program a little more special for your student. Look for the student recognition ad form and the business ad form in the spring newsletter or talk to your NIMPA representative.

NIMPA needs and welcomes your help!

We are looking for volunteers. If you can help, just make a check mark next to any or all of the volunteer activities listed on the NIMPA enrollment form and we'll give you a call! If you're interested in serving as a NIMPA board member, or as a band or orchestra representative for your child's school, talk to his/her director for more information.
